

EXPERIENCE OENOLOGIQUE

At Les Amis, we proudly present three distinct wine experiences to enhance the nuances of Chef Sébastien Lepinoy's seasonal dishes, crafted to celebrate the rich bounty of autumn. While our Plénitude and Découverte selections showcase classic and emerging vineyards, our standout Éphémère wine experience invites you to embark on an extraordinary journey through the world's finest wine regions, celebrating the diverse and ephemeral nature of our international wine selections. Éphémère wine experience will be available exclusively between 16 to 29 September. These wines are meticulously chosen to complement the vibrant and robust flavors that autumn harvests bring to our tables. Join us at Les Amis this autumn to savor this exceptional pairing and elevate your experience to an unforgettable culinary adventure.
